## STATEMENT

Compressors Gas: **R407C**

Products: Hermetic Compressors for R404A

Huayi Compressor Barcelona, S.L declares that the complete range of R404A compressors also can be charged with the refrigerant R407C.

Please take into account:

Compressors charged with R407C will not have the same cooling capacity than Cubigel Compressors declares in technical data and catalogue; it will be round 4-5% lower.

Certified by Huayi Compressor Barcelona, S.L, Barcelona-Spain

Huayi Compressor Barcelona, S.L.

Vicente Guilabert, Vice General Manager – R+D+i and QA
